

When we can truly accept & love ourselves in our greatness & with all our shortcomings, we can really extend ourselves to loving others. We can give love unconditionally; receive love freely & openly. We can make love with heightened spiritual consciousness, we can share love with no fear of loss, we can allow love to flow with no withholding, we can be comfortable with our desire for love. We can simply BE Love! · Thanks for all the wonderful birthday messages, feeling loved and loving on my earthday, solar return. I am giving thanks for breath, for life, looking forward to another year of living life on purpose, with passion in peace! Thanks for being in my life. Shola · I have been up late speaking with people over the pond organising my tour of the US with new book, Energy 4 Life. So exciting! New York, Chicago, Atlanta, Washington, see you soon..... · Why is voting so tricky here, with little difference between Scameron and Clown, and the new kid on the block can't win anyway, Why can't we have an Obama? · June events, Glastonbury & Meditation eve. <http://aweber.com/b/10vDi> · Home sweet rainy home, after a wonder-filled 5 city US book tour. I'm areoplane lagged to quote the Karate Kid, which I watched in flight. I had a fabulous uplifting time overall and will be back real soon, thanks to all who organised, attended and whose Energy flowed with us. Stay Open to Spirit and enjoy a High Energy Life. Love Shola · Wow! Isle of Mann is an amazing wee island, so beautiful. Lovely group. looking forward to lifting some energy 2morro! · Aim to inspire rather than teach! · Enjoy the snow, no point arguing with Mother Nature! · Today is 1-1-11. Celebrate the BEST and forget the rest of 2010! Enter 2011 consciously with elevated energy and awareness making this powerful New Decade a time of Love, light, prosperity, authentic self expression, Divine Purpose, passion and unity consciousness. Happy New Decade FB family! Much love and continued blessings to you all.
